Re: **INCREASE TO PILOTAGE TARIFFS**

---

Dear All

Following the recent implementation of the Gibraltar Pilotage Regulations 2016, there is now a robust process in place to review pilotage fees on an annual basis in addition to the automatic increase in line with the annual retail price index. This review has taken place and it has been determined that the annual increase for this year, which is due on 1 April 2017, will be 2.5% (January 2016 to January 2017). Exceptionally for this year only, the fee increase will not commence until 1st May to allow sufficient time for all parties to adopt the change in pilotage tariffs.

A new pilotage tariff guide is attached which will also be published on the Port's website, in line with the Pilotage Regulations.

In future, changes to the pilotage tariff will be notified to you in early February of each year to allow sufficient time for you to reflect the increase.

Should you require any further clarification on the above, please do not hesitate to let me know.

*Yours ever,*

**COMMODORE BOB SANGUINETTI**  
**CEO AND CAPTAIN OF THE PORT**
