Re: **PORT ACT – PORT (AMENDMENT) RULES 2015 – SPEED LIMIT WITHIN THE PORT**

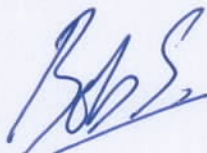

Dear All

Please be aware that legislation has been enacted with effect from 21 May 2015 as follows:-

'Every vessel must proceed at a speed not exceeding the limits of five knots within the inner port area enclosed to landward by-

- (a) a line drawn from the southern end of the Western Arm to the northern end of the Detached Mole; and
- (b) a line drawn from the southern end of the Detached Mole to the northern end of the South Mole.'
