RE: APPOINTMENT OF PORT HEALTH OFFICER - **UPDATE**

Dear All

Please be advised that Dr Joanna Shelley of the College Clinic has been appointed as a Port Health Officer in accordance with the Quarantine Act 1935. You will already be aware of the procedure for notification of medical issues on vessels and, with immediate effect, we request that you contact Dr Shelley as the appointed medical officer for all medical cases.

Update – Mr Karl Alvarez of Gibraltar Maritime Medical Services has also been appointed as a Port Health Officer in accordance with the Quarantine Act 1935.

Please contact either Dr Shelley or Dr Alvarez for all medical cases. Dr Shelley and/or Dr Alvarez will liaise directly with the Director of Public Health regarding any suspicion of infectious or contagious disease as required.
