

PORT CIRCULAR 2 OF 2021

TO: ALL SHIPPING AGENTS
FROM: CAPTAIN OF THE PORT
DATE: 9 MARCH 2021
RE: STS LEVY

Dear All

This communication is in relation to both commercial and local supplier Ship to ship operations (STS) undertaken in BGTW.

The relevant STS levy generated by this activity is charged to the local agent representing the DISCHARGING vessel. This is in addition to all other costs, including the provision of a launch to convey the Bunkering Superintendent on board for inspection and subsequent return to shore.

This levy has been in place since February 2020 and was published via the update to the STS Code of Practice in February 2020.
